JOURNEYMEN åCHAPTER 1.

ARTICLE BY FILIPPO FIORA ON MONDAY OCTOBER 14TH, 2013 | FILIPPO CIRULLI, FILIPPO FIORA, OUTFIT

We decided to build a short story about an imaginary journey with the help of **Samuele Manzoni**, a young photographer based in Lugano.

Chapter 1 part describes our arrival in an elegant hotel on the shores of a Lugano lake (**Villa Castagnola** ed) on a sunny day in mid-season.
The car, a **Mercedes CLA**, is garish red and sporty-looking; luggage are few, enough for a few days out.

Our attire is sporty but chic.
FC is wearing a **Gucci nylon and leather jacket** styled with blue chinos and a simple white t-shirt, I choose a mohair sweater instead.
